A total of \$30 million from the Education Savings Account and \$114,1 million from the Education Construction Account will be deposited in the Common School Construction Account for the state matching funds for K-12 school construction projects. (Education Construction Account, Education Savings Account)

ACTIVITY DESCRIPTIONS**State Board of Education**

The State Board of Education is a separate state agency funded within OSPI's budget. Each member represents one of the state's congressional districts, and the Superintendent is the Board's chief executive officer. The State Board of Education is charged with allocating state school construction money, and setting and monitoring education policies, such as certification of teachers, high school graduation requirements, school accreditation, basic education program requirements, and other policies as required by law.
